Sub : Student Recommendation letter

Dear sir / Madam,

I am writing this reference at the request of Ritheesh, who he is applying for a under graduate course in your institution I have known Ritheesh in touch for two years as my student.

During this time Ritheesh, has proved himself as an enthusiastic and promising individual who can accomplish the tasks assigned to him in the most sincere and successful manner. His major specialization is computer science. Ritheesh was allowed by our faculty to undertake is project in application development.

Ritheesh was broad-minded and has interests in different areas of application development He has an unusual thinking style and their ability to combine methods and ideas from different disciplines.

As his mentor I have had an opportunity to observe the student's participation and overall progress. I would rate the student's overall performance as good . He was also keen in taking part in other co-curricular activities.

Ritheesh showed immense working efficiency and competitive knowledge and skills in his chose field. He is a self-motivated and hard working person with the quality to lead and co- ordinate his fellow team members.

I evaluate Ritheesh as intelligent dependable, dedicated person, who is ready to achieve his goals, I am positive, that Ritheesh would be a tremendous asset to your program and I highly recommend him to you without reservation. If you have any further questions with regard to his background or qualification, please do not hesitate to contact me
